General Comments:

Due to the ongoing Covid pandemic, food service staff from the Hanford Joint Union High School District, has opted to postpone the in-person food safety evaluations for the Spring semester of 2021, and resume inspections until the Fall of 2021.

The school district continues to operate under Covid protocols taking all necessary precautions to minimize the risk of exposure to their staff and students. The district also continues to distribute pre-packaged meals for students to take home with no dining options on campus.

Please retain a copy of this report as your written proof explaining why Earl F Johnson School was not inspected during the Spring semester of 2021, and contact our Department at 559-584-1411 if you have any questions.
