INSPECTION REPORT

Overall Inspection Comment:

Food program manager: Presley Lara expires 2026

The three compartment sink has hot water measuring 121F. The handwash station has warm water and soap. Please ensure the paper towel dispenser is refilled.

The walk in freezer and walk in refrigerator are observed with all food items covered and stored at least 6 inches off the floor. Both units measure below 41F, and the items in the freezer are frozen to touch.

One steam table was being used at the time of the inspection. The items in hot holding measured above 135F. Sausage measured 191F and corn on the cob measured 146F.

The mini-reach in refrigerator in the front area measured 53F. There is no thermometer attached to read the internal temperature. The temperature was turned down; please monitor the temperature and ensure no potentially hazardous foods are kept in this refrigerator if it does not maintain the temperature below 41F.

Thank you.

ATTENTION: There are a total of 0 item(s) marked above in violation. Total Major violations are 0.
