General Comments:

-Routine Inspection-

For lunch pizza and meatball sandwiches will be served. At the start of the inspection food preparation was already underway.

The walk- in refrigerator was functioning properly at 37.3F.

The walk- in freezer was functioning properly at -1.3F.

Hot holding temperature for the pizzas were 160.7F.

Hot holding temperatures for the meatball sandwiches were at 138.1F. The operator stated that the sandwiches were put into the hot holding unit recently. The sandwiches were still within satisfactory temperatures.

All dry storage was well maintained, clean, organized, and six inches above the ground.

The ice machine was well maintained and clean.

The operator stated that the dishwasher was not currently in use because the facility does not have soap for it. For now the three compartment sink is used to wash all dishes, the chlorine sanitizer level was at 100 ppm. The sanitizer bucket was also at 100 ppm for chlorine.

The employees at this facility were practicing safe food handling by wearing gloves and washing their hands when changing to different tasks.

All appliances and surfaces in this facility were clean and well maintained. No signs of pests were found during today's inspection.

Overall this facility is in great condition.

Thank you for your time.
