INSPECTION REPORT

FOOD VENDING PERMIT - RM3 (2001-5000)

Overall Inspection Comment:

A routine inspection was completed on this date.

All refrigerators are working properly and measure below 41F. The only potentially hazardous food sold at this facility is milk, which is appropriately stored and within date.

Ice cream service area is observed in clean condition. Hot water is available at the 3 compartment sink. Warm water, soap, and paper towels are available at the Handwash sink.

The facility does not prepare food & only sells prepackaged items.

Baby food and formula are within the sell by date. The facility has a freshness program and regularly checks this.

All food is stored at least 6 inches above the ground. There are no dented or bloated cans are observed.

No pests, insects, or vermin are observed.

Thank you.

ATTENTION: There are a total of 0 item(s) marked above in violation. Total Major violations are 0.
