INSPECTION REPORT

FOOD VENDING PERMIT - RM1 (< 500)

Overall Inspection Comment:

A routine inspection was conducted on this date. The following observations were made:

The handwashing sink in the kitchen has warm water, soap, and paper towels available. Please see the above noted violation regarding accessibility and correct this within 30 days.

The restrooms are clean with no observable plumbing leaks. There is warm water, soap, and paper towels available.

Food is stored and displayed at least 6 inches off of the floor. Please see the notes violation regarding dry storage.

No evidence pest or vermin infestation is observed.

CO2 tanks are observed secured in place.

The walk in refrigerator light is working and covered. The temperature reads at 40F. Food is stored appropriately.

The reach in refrigerator and reach in freezers are both in good operating condition. The refrigerator measures 39F and the freezer is 6F.

Hot holding items are measured at 160F. Individual items are marked with a "best before" time. Please make sure to mark am/pm on these labels and to discard any products past the indicated time.

The three compartment sink has water measuring over 120F. The sanitizer used is chlorine based. The sinks and buckets are not currently in use, but the facility has test strips readily available.

Overall this facility is in good operating condition. please correct the above noted violations within 30 days. Thank you for your time.

ATTENTION: There are a total of 3 item(s) marked above in violation. Total Major violations are 0.
