The items (if any) listed below identify the violation(s) that must be corrected. Thank you for your cooperation.  
One reinspection will be conducted (if needed) at no charge. A service fee is assessed for each additional reinspection required.

Violation: None Noted

General Comments:

Conducting a third follow-up inspection to verify if hot water is available at the facility. According to the manager, the water heater was repaired on February 12, but additional repair work was required for the taps in the restrooms to dispense hot water. All repairs were completed over the weekend and today, water from the taps was noted at 104F.

The facility is no longer in violation and is meeting compliance with the Health and Safety Code Section 113953 (c).

You will also receive an invoice for this re-inspection. Please contact our department at 559-584-1411 if you have any questions.

Thank you for your cooperation.

The items (if any) listed below identify the violation(s) that must be corrected. Thank you for your cooperation. One reinspection will be conducted (if needed) at no charge. A service fee is assessed for each additional reinspection required.

Violation: IMPROPER MAINTENANCE OF HANDWASH FACILITIES [HSC 113953 - 113593.2]

Description/Corrective Action: The facility remains without hot water since the problem was first identified on February 2, 2021.

General Comments:

Conducting a second follow-up inspection to verify the presence of hot water at the facility. Management first contacted Roter-Rooter plumbing service on February 4, 2021 to correct the problem, and to date, they have failed to complete the repairs. Management will contact a second plumbing company today for repairs to the water heater and provide an update to our Department within 24 hours. Staff must continue to provide updates every 24 hours until the problem is resolved.

Failure to address the violation and continuing to operate without hot water may result in additional enforcement action, including scheduling an administrative office hearing and/or suspension of the food vending permit until the violation is corrected. You will receive an invoice for this re-inspection and every additional re-inspection that may be required to verify compliance.

Please contact our office at 559-584-1411 if you have any questions.

Your attention is appreciated.
