Violation: None Noted

General Comments:

Observed refrigerators and freezer units at adequate temperatures.

The hand sink has soap, paper towels and hot water available.

The facility is on a private well that is tested for total coliforms on a quarterly basis. All monitoring is current with no bacteria results detected for the past year. Please continue to submit monitoring samples to our office every quarter of 2022 for the months of March/June/September/December. One annual nitrate sample is also required before the end of 2022.

Overall the facility was observed clean and well maintained.

Thank you!
