General Comments:

An attempt to conduct an inspection was made by the department. Beverly Brooks at 559-639-7442 responded to phone messages and stated she is in charge of the kitchen facility for Golden Harvest. She indicated that the church has not operated the kitchen since the start of Covid and they don't plan to operate it at this time. Since the kitchen is not in use by church members or the public, the food vending permit will not be issued and inspections are not been done by our department.

Prior to re-opening the kitchen, please contact our department to schedule a routine inspection. A copy of this report will be mailed to Mrs. Brooks for their records. You can reach our department at 559-584-1411 at any time you have any questions.
