Violation: None Noted

General Comments:

Today's complaint investigation was prompted by a complaint that was received on December 8, 2021 alleging the facility had dead cockroaches underneath the main steam table where plates are prepared. During today's investigation, no cockroaches dead or live were observed within the facility. The facility's pest control receipts were reviewed as the facility receives monthly pest control service from Ecolab and no evidence of cockroaches have been noted on the service receipts. At this time, this complaint could not be substantiated.

**Inspection Findings and General Comments:**

Today's site visit was prompted from a complaint alleging the shrimp this facility is serving is coming from an unsafe source and is not wholesome in nature. The results of today's site visit are as follows.

Battered shrimp and raw shrimp are delivered to this facility from Rosemead Ca. by Sygma Network. Raw shrimp are delivered in, five pound boxes that are processed in Redondo beach, shrimp are farm raised and are harvested from waters in Ecuador as indicated on the box. When delivered to this facility the boxes of frozen shrimp are immediately transferred into the Panda walk-in freezer unit. All items in the walk-in freezer unit were observed properly stored and frozen today.

The battered shrimp are received as a box of 20, one pound packs from Rosemead, all boxes are received frozen and transferred to the the walk-in freezer unit.

All items are taken out of the freezer when needed.

At this time all shrimp products are from approved sources and are all stored properly. Complaint can not be substantiated. Compliant dismissed.
